

**10 November**

**Save the Date**

# SUSTAINABILITY MARKET AND FESTIVE OPENING SOLAR ENERGY INSTALLATION KAZERNE REIGERSBOS

Experts will be there to inform you about making your home and your neighborhood more sustainable. Reducing your energy costs, climate adaptation, reducing waste, registering for a visit to sustainable model homes, fix brigade, energy coaches and more.

The new solar energy installation for Kazerne Reigersbos will be festively opened by our DB lid mr. Raul White.

## Program

**Starts 11 am:**

**11.00 - 14.30 Talent competition and activities for children**

**14:30 - 15.30 Festive opening and interviews**

**12:00 - 18:00 Sustainability market**
